# Inside Edenwood

## The Edenwood Neighborhood Association Fall Meeting

The fall meeting of the Edenwood Neighborhood Association will be held on Thursday night, October 27, at the Broadacres Baptist Church. Supper will be served at 6:30 p.m. and will feature barbeque and all the trimmings. Each family membership will be provided two dinners for free. Non-members will be asked to pay \$6.00 per meal.

After the supper is complete, our regular meeting will be held beginning about 7 p.m. The mayor of Cayce along with several others from the city have been invited to attend and share in our meeting. If you

have a question for any of these, please have it concisely composed so as not to take up too much time or please ask it before or after the meeting.

A number of door prizes will be given to those present at the close of the meeting.

You may also check the status of your membership in the association and pay your annual dues if you are not paid up. April Cassidy will be there to receive your dues.

The purpose of the meeting is for both fellowship and information. Be sure and meet a number of people and become familiar

with your neighbors. You may also learn about what is happening in and around our community as well as what is going on in the city of Cayce.

In order to plan for the supper, we need for you to make a reservation by calling Pete Cassidy (791-8472) or sending an email to [pete-cassidy@mindspring.com](mailto:pete-cassidy@mindspring.com).

**Please make your reservation for supper by October 22 if possible.** This will allow us to give an accurate count to those preparing the supper.

## Edenwood Neighborhood Association Membership

The Edenwood Neighborhood Association 2012 Membership drive is now underway!

We encourage all residents in our community to participate in the ENA! Our membership dues of only \$20 for one year, \$35 for two years, and \$50 for three years, are a small investment in the community and help ENA provide many benefits and events each year.

To join, please see April Cassidy at the Fall meeting or email her at [aprilc@sc.rr.com](mailto:aprilc@sc.rr.com). A membership form is included on the back of this newsletter also.

## A Word From ENA President

I have been meeting each month with the other neighborhood associational presidents and the mayor of Cayce. At those meetings we discuss a number of things that are going on in and around the city. We also report about what we are seeing around our communities.

At each meeting, I have been proud of our neighborhood. Our membership is high and the participation at our meetings is really good. We also seem to have very few problems

when compared to many of the other communities. Our crime report is always low and the police often express that our community is one of the lowest in the city in reported problems.

I am proud to represent you each month and to tell the others at the meeting what a wonderful community we have in Edenwood.

## Questions and Concerns— Call City Hall

Please note that the Edenwood Neighborhood Association does NOT have any authority to enforce code or zoning rules and regulations.

Please call the Cayce City Hall and you will be referred to the right office to ask your question or express your concern.

### Storm Drains Aren't Dumps!

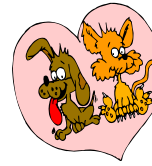

Is that how you get rid of your yard trash? Putting yard clippings, limbs, leaves, etc. could

have the same effect as stuffing a teddy bear down our storm drains!!! Please don't pollute or clog the storm drains in our neighborhood by improper trash disposal! For more information please visit <http://www.columbiasc.net/Engineering> for more information on stormwater pollution and how drains aren't dumps!

### ENA Special Thanks

#### To Doris Harvey

Doris provides a place for our board meetings and we really thank her for that as well as all the other things that she does to make our association a success. We always feel welcome in her home for the meetings and she provides wonderful hospitality for the board. Doris always seems to know the names and addresses of most of the new people who move into Edenwood. She also keeps us posted on many of the happenings in the area. We all really appreciate Doris and her knowledge of Edenwood and her willingness to help in any way that she can.

### Please Be Considerate With Your Pets

Several of the residents of our community have expressed that they are having problems with the dogs and cats of other residents.

Please keep in mind that ALL dogs and cats must be on a leash or confined in a fenced area. If you are walking your dog, remember to be concerned about other people's yards and drive-ways. If you have concerns, please call **Cayce Public Safety at 794-0456.**

### Reminder:

*Please not to pile leaves or trash near drainage areas because it causes standing water, drainage issues and flooding. Also, please remember not to drive through standing water or flooded areas for your safety.*
